

**Safran,
a world leader
in aerospace**

Our mission:
making aviation more sustainable
and the world a safer place

An industrial high technology group

76,800

employees

€15.3

billion in revenues
in 2021

125 years

of history:
the oldest aerospace
manufacturer
in the world

No.3

aerospace company
worldwide (excluding
aircraft manufacturers)

A worldwide presence

At year end 2021

76,800
employees
in 27 countries

Facilities

-  R&D and production
-  Support and services
-  Offices

Americas

18,186
employees

 70  31  8

France

41,436
employees

 63  14  20

Europe (outside France)

8,174
employees

 27  8  3

Africa / Middle East

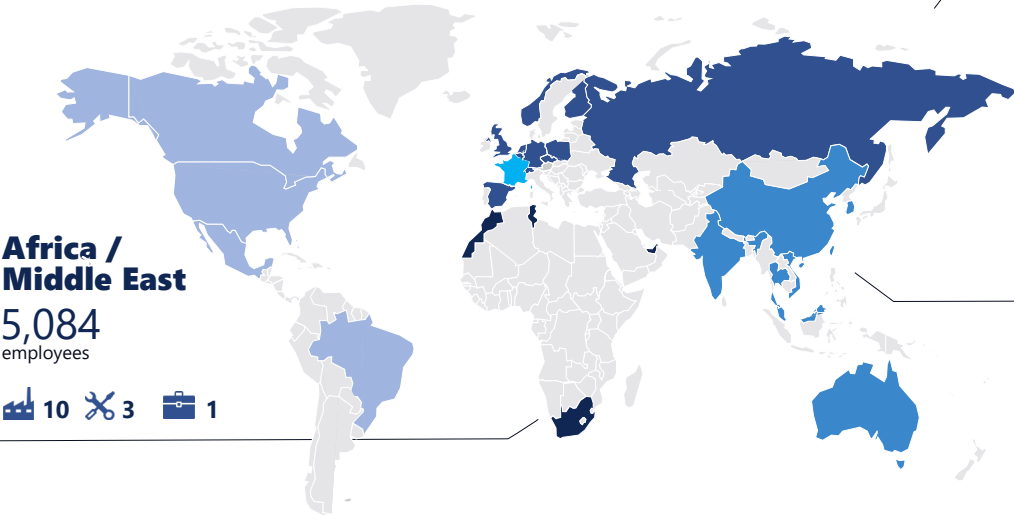

5,084
employees

 10  3  1

Asia- Pacific

3,975
employees

 8  8  2

A world leader in our core markets

No.1 worldwide

Narrowbody commercial jet engines (in partnership with GE)

Helicopter turbine engines

No.1 worldwide

Interiors for regional and business aircraft

Aircraft water and waste management systems

No.1 worldwide

Landing gear

Wheels and carbon brakes (mainline commercial jets with more than 100 seats)

Aircraft wiring

Evacuation slides

Oxygen systems

No.1 in Europe

Tactical drones

Inertial navigation systems

Optronic (electro-optical) systems

No.1 worldwide

Space surveillance via RF sensors

Modems for satellite station keeping and space probe control

High-performance space optics

Aircraft propulsion: proven innovation and reliability to support aircraft manufacturers and airlines

Aircraft equipment: a complete range of products and services

Aircraft interiors: an extended range for all types of aircraft to enhance passenger comfort

Cabin

Seats

Passenger comfort

Defense: protecting citizens through technology

Space: state-of-the-art technologies to drive progress

* through ArianeGroup, a 50/50 joint company between Safran and Airbus, and its Arianespace subsidiary

A committed company,
focused on meeting today's challenges

Decarbonizing aviation, our strategic priority

Innovative technologies

to contribute to a “zero emission” aviation by 2050

Reducing the environmental impact of our operations

A low carbon plan applied at all facilities

-30% in greenhouse gas emissions (for scopes 1 and 2) by 2025, -50% by 2030*

*vs. 2018

Driving innovation for sustainable growth

€1.43

billion invested
in R&D in 2021

12,000+

employees
involved in R&D

75%

of Safran's R&T investment goes
to reduce the environmental
impact of air transport

1,176

patent applications filed in 2021
worldwide
(Safran, **No. 1 in France**
for patents filed – 1,037 applications)

Passionate people

Our HR policy is based on **4 solid commitments**

We ensure
**Diversity
and inclusion**

and build
opportunities**

We create a
**trustworthy
workplace**

We promote
**collaboration
and mutual support**

82%

of all Safran employees
worldwide took
at least one **training**
in 2021

28%

Women
in Safran's global
workforce

300

different job types
in all areas, from R&D
and production to customer
relations

2,000+

**transfers between
different sites**
in 2021

An ambitious CSR strategy

Decarbonize
aviation

Be an **exemplary
employer**

Embody **industrial
responsibility**

Affirm our
corporate citizenship

**POWERED
BY TRUST**
