Subject: Civil Aviation Bureau, Ministry of Land, Infrastructure, Transport and Tourism, Japan (JCAB) supplement approval in accordance with the Technical Arrangement for Maintenance (TA-M).

Dear Sir:

Following review of the elements contained in the referenced JCAB supplement to your organization's approved Maintenance Policy Manual (MPM), in accordance with the current TA-M between Transport Canada Civil Aviation (TCCA) and the JCAB, TCCA hereby confirms the initial approval of the JCAB supplement for the performance of maintenance on civilian aeronautical components under the regulatory control of JCAB.

The maintenance of the civilian aeronautical components under the regulatory control of JCAB will not exceed the organisation's CAR 573 AMO certificate scope of ratings and limitations.

Your JCAB supplement dated 21 February 2022 at Revision A, is hereby approved and is valid until the 31st of March 2024.

You are reminded that you will be required to submit your next application for continuance in accordance with the TA-M which is available on the TC web site at:
