THE ADVANTAGES OF RETROFITTING TO THE INTEGRA AF ELT

Better performances with the INTEGRA's internal backup antenna and its internal GPS

INTEGRA AF ELT is under a 10-year warranty

Latest standards (E)TSO c126b bracket included in our packs and available in standalone

Easy installation as the weight and dimensions of both ELTs are respectively equivalent

*More flexibility with four different packs available to match with new and existing installations

Easy Retrofit with compatible accessories
