

**Safran,  
a world leader  
in aerospace**

**Our mission:**  
making aviation more sustainable  
and the world a safer place

## An industrial high technology group

---

76,800

employees

€15.3

billion in revenues  
in 2021

125 years

of history:  
the oldest aerospace  
manufacturer  
in the world

No.3

aerospace company  
worldwide (excluding  
aircraft manufacturers)

# A worldwide presence

At year end 2021

**76,800**  
employees  
in **27** countries

## Facilities

 R&D  
and production

 Support  
and services

 Offices

### Americas

**18,186**  
employees

 64  27  9

### France

**41,346**  
employees

 64  14  20

### Europe (outside France)

**8,174**  
employees

 27  8  3

### Africa / Middle East

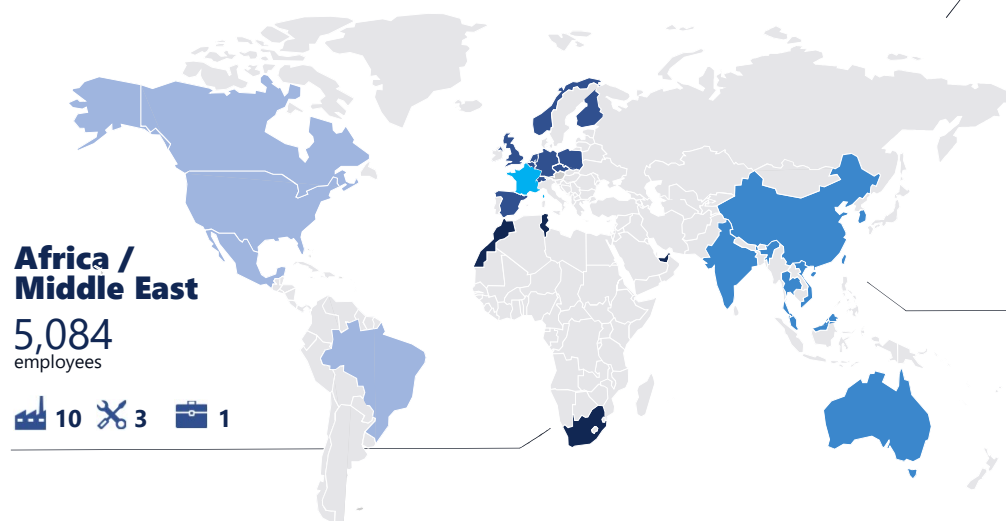

**5,084**  
employees

 10  3  1

### Asia- Pacific

**3,975**  
employees

 9  8  2

# A world leader in our core markets

## No.1 worldwide

Narrowbody commercial jet engines (in partnership with GE)

Helicopter turbine engines

## No.1 worldwide

Interiors for regional and business aircraft

Aircraft water and waste management systems

## No.1 worldwide

Landing gear

Wheels and carbon brakes (mainline commercial jets with more than 100 seats)

Aircraft wiring

Evacuation slides

## No.1 in Europe

Tactical drones

Inertial navigation systems

Optronic (electro-optical) systems

## No.1 worldwide

Space surveillance via RF sensors

Modems for satellite station keeping and space probe control

High-performance space optics

## **Aircraft propulsion:** proven innovation and reliability to support aircraft manufacturers and airlines

---

## Aircraft equipment: a complete range of products and services

---

## **Aircraft interiors:** an extended range for all types of aircraft to enhance passenger comfort

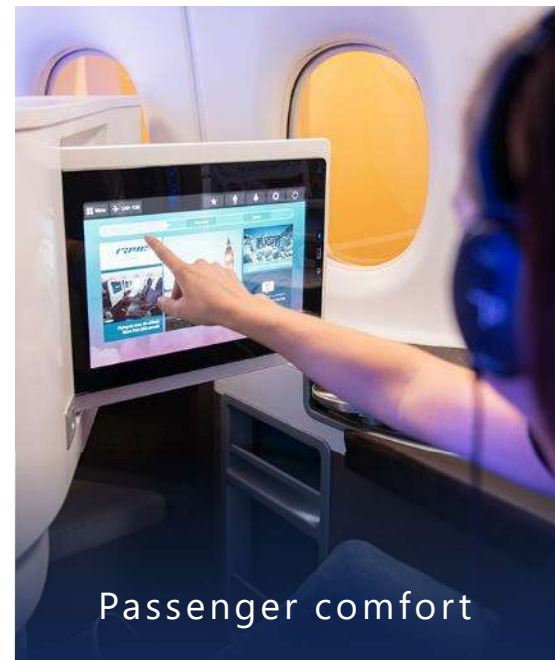

---

Cabin

Seats

Passenger comfort

## Defense: protecting citizens through technology

---

## Space: state-of-the-art technologies to drive progress

\* through ArianeGroup, a 50/50 joint company between Safran and Airbus, and its Arianespace subsidiary

**A committed company,**  
focused on meeting today's challenges

# Decarbonizing aviation, our strategic priority

---

**Innovative technologies**  
to contribute to a “zero emission” aviation by 2050

# Reducing the environmental impact of our operations

## **A low carbon plan applied at all facilities**

-30% in greenhouse gas emissions (for scopes 1 and 2) by 2025, -50% by 2030\*

\*vs. 2018

# Driving innovation for sustainable growth

€1.43

billion invested  
in R&D in 2021

12,000+

employees  
involved in R&D

Invent, build  
and deliver tangible  
high-tech solutions  
**to shape tomorrow's  
aviation sector**

75%

of Safran's R&T investment goes  
to reduce the environmental  
impact of air transport

1,176

patent applications filed in 2021  
worldwide  
(Safran, **No. 1 in France**  
for patents filed – 1,037 applications)

## Passionate people

### Our HR policy is based on **4 solid commitments**

We ensure  
**Diversity  
and inclusion**

We develop **skills  
and build  
opportunities**
