

# HEALTH, SAFETY AND ENVIRONMENT

**“AS THE THIRD LARGEST AEROSPACE COMPANY IN THE WORLD, SAFRAN HAS A DUTY TO DEMONSTRATE EXEMPLARY PERFORMANCE IN HEALTH, SAFETY AND ENVIRONMENT (HSE). A CENTRAL COMPONENT OF OUR HUMAN RESOURCES COMMITMENTS, SAFRAN’S HSE POLICY REFLECTS OUR CORE VALUES AND SIGNIFICANTLY REDUCES RISKS WHEREVER IT IS STRICTLY IMPLEMENTED. OUR POLICY APPLIES THROUGHOUT THE GROUP AND MUST BE ADHERED TO BY EACH AND EVERYONE OF US.”**

**PHILIPPE PETITCOLIN**  
Chief Executive Officer

**SAFRAN IS COMMITTED TO ENSURING WORKPLACE HEALTH AND SAFETY AND ENVIRONMENTAL PROTECTION**

for all its employees, suppliers, partners, customers, and all other stakeholders in its ecosystem through an open, explicit approach.

Our objectives, which form part of the Group-wide continuous improvement initiative for our Health, Safety and Environment management system, are aimed at:

- . protecting the health and safety of all Safran employees;
- . minimizing the environmental impact of our business by developing products and services that deliver high performance throughout their life-cycle;
- . reducing our production-related carbon emissions, especially by decreasing our energy consumption;
- . ensuring the compliance of our facilities throughout the world;
- . preventing and reducing the risk of pollution that could be caused by our activities.

**EVERYONE AT SAFRAN, INCLUDING EMPLOYEES, MANAGERS AND COMPANY CEOS**

are committed to respecting and implementing the corporate HSE policy by:

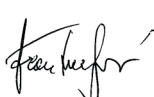

- . complying with legal requirements and all other applicable requirements, including Safran’s HSE reference system;
- . systematically enforcing HSE measures and ensuring the active contribution of all stakeholders at each site;
- . ensuring that performance improvement plans deliver results and that the HSE function is involved in all industrial projects;

HSE professionals advise and assist local management.

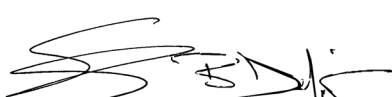

**THE HEALTH, SAFETY AND ENVIRONMENT PERFORMANCE OF EACH AND EVERY ONE OF US IS A CENTRAL FACTOR IN MANAGEMENT EXCELLENCE.**
