

- Thresholds

Under Article 13 of the bylaws, in addition to the disclosures required under the applicable laws and regulations when certain ownership thresholds are crossed, any person or legal entity, acting alone or in concert with others, that becomes the owner – directly or indirectly through one or more companies controlled by said person or entity within the meaning of article L.233-3 of the French Commercial Code – of 1% or more of the Company's capital or voting rights or any multiple thereof, as calculated in accordance with articles L.233-7 and L.233-9 of the French Commercial Code and the General Regulations of the French financial markets authority (*Autorité des marchés financiers* – AMF), must notify the Company of the total number of shares and voting rights held as well as the total number of securities held that carry deferred rights to the Company's capital and the potential voting rights attached thereto.

Said notification shall be sent to the Company by registered letter with recorded delivery within four trading days of the relevant threshold being crossed.

The same disclosures are required – within the same timeframe and in accordance with the same conditions – in cases where a shareholder's interest falls below any of the thresholds referred to above.

The sanctions provided for by law in the event of a failure to comply with the disclosure requirements applicable when a legal threshold is crossed shall also apply if a shareholder does not comply with the disclosure requirements applicable in the bylaws, where requested by one or more shareholders holding at least 5% of the Company's capital or voting rights (with said request duly recorded in the minutes of the relevant General Shareholders' Meeting).
