

CFM CONCLUDES \$9.1 BILLION U.S. AGREEMENTS DURING FRENCH STATE VISIT TO CHINA

- Represents orders and support for ~500 engines

WEST CHESTER, Ohio — 11 January 2018 — In conjunction with French President Emmanuel Macron's state visit to China earlier this week, CFM International concluded agreements and Memorandums of Understanding for new engine orders and long-term support agreements covering nearly 500 CFM engines. The total value of the agreements is \$9.1 billion U.S. at list price.

The agreements include:

- Spring Airline: \$2.9 billion covering installed and engines supported by a long-term Rate Per Flight Hour agreement.
- Hainan Airlines: \$4.2 billion MoU covering new and spare engines and a long-term support agreements.
- Xiamen Airlines: 2.05 billion MoU covering installed and spare engines, along with a long-term Time and Materials support agreement.

Philippe Petitcolin, Chief Executive Officer of CFM parent company Safran, signing on behalf of CFM, said: "Our relationship with the Chinese aviation industry goes back more than 30 years, not only as a customer base but a very important supplier base. These new agreements strengthen our commitment to China and solidifies our relationships with

our customers there, providing a strong foundation for even more cooperation in the future.”
