

L PRESS RELEASE**Appointments to the general management of Safran Landing Systems**

Vélizy, France, September 8th, 2022

Safran Landing Systems has announced a number of appointments to its management team:

- **Delphine Berilloux is appointed Human Resources VP**
- **Solenne Terral is appointed Quality and Compliance VP**
- **Virginie Combes is appointed Communications Director**

Delphine Berilloux started her career in 2000 with Eurogroup Consulting as Consultant in organizations. In 2006, she joined the SNCF Group as HR Development Manager. In 2008, she moved to Sagem as Career & Mobility Manager. In 2010, Delphine became HR Manager of Massy site. In 2013, she joined Safran Landing Systems as HR Development & Compensation, Benefits Director and moved to Division HR Director position. In 2018, she is appointed Human Resources & Communication Director of Safran Transmission Systems and since 2020, Delphine is Group VP Talent Development & Skills.

Delphine Berilloux, 45, is a graduate from ISC Paris (2000).

Solenne Terral started her career in 1997 at Orano group (formerly Cogema) as consultant. She joins Aerazur in 2000 where she holds different positions at the Quality Department and as of 2004, she also took an operational role in the Aerosafety branch of Zodiac Aerospace. In 2012, she was appointed Head of Quality at Zodiac Aerospace. In 2019, Solenne joins Safran as Quality Vice President for the Group. Since 2019, Solenne is President of the Gifas Quality Commission.

Solenne Terral, 49, is a graduate from INSA Toulouse (1996) and attended the Stanford Executive program (2015).

Virginie Combes started her career at Safran in 2005 as Communication Manager within the Events department at CFM International¹ and as Product Communication Manager to Safran Aircraft Engines. In 2011, she was responsible for internal and external communication for central functions in Morpho and in Safran SA. Virginie joins Safran Landing Systems in her current role on September 2020.

Virginie Combes, 44, is a graduate from ESM-A Paris

(1) CFM International is a 50/50 joint company of Safran Aircraft Engines and GE

Safran is an international high-technology group, operating in the aviation (propulsion, equipment and interiors), defense and space markets. Its core purpose is to contribute to a safer, more sustainable world, where air transport is more environmentally friendly, comfortable and accessible. Safran has a global presence, with 76,800 employees and sales of 15.3 billion euros in 2021, and holds, alone or in partnership, world or regional leadership positions in its core markets. Safran is listed on the Euronext Paris stock exchange and is part of the CAC 40 and Euro Stoxx 50 indices.

Safran Landing Systems is the world leader in aircraft landing and braking systems. Its expertise covers the entire lifecycle of its products, from design and manufacturing to maintenance and repair. The company has partnerships with 25 airframers in civil, regional, commercial and military transport, supporting more than 32,000 aircraft and making over 80,000 landings every day.
