

User guide suppliers portal

Suppliers Helpdesk is the unique entry point used by suppliers to obtain the status of one or several invoices and/or to check the details of a bank transfer.

Safran provides this Billing Hotline to its suppliers and internal employee to improve the handling of billing incidents.

1. Before reporting an incident

- Please check that my invoices were issued more **than 21 days ago or are overdue**.
- Check that the billing address and mailing address where bills are sent are correct. To do this, go to the [Billing addresses for Group companies](#)

2. How to sign up to the form suppliers portal ?

This formulary will allow you to create your ID and then, to submit your request to know your invoice status.

For the French version : <https://sfssupport.microsoftcrmportals.com/fr-FR/>

For the English version : <https://sfssupport.microsoftcrmportals.com/en-US/>

TO START :

First, create your account

1. Go to the « Create an Account» on the top right corner.

2. Fill in your company information and click on « submit ».

Which information are required to create your account?

Code DUNS, VAT number, Fiscal ID, or if you don't have any other solution, « other code ».

At least one of them always must to appear on your invoice on a fixed location.
