

PRESS RELEASE

Bruno Pasini appointed Executive Vice President of Safran Electrical Components

Toulouse – January 15, 2020 Since January 1, 2020, Bruno Pasini has been appointed Executive Vice President of Safran Electrical Components, the subsidiary of Safran Electrical & Power specializing in electrical components.

Bruno Pasini started his career in 1992 as a legal specialist in labor law and administrative manager of RVM (construction company).

In 1994, he joined the Labinal Group¹ as Head of Human Resources for Sofrance (aircraft filtration systems), then Syléa (automotive cabling).

In 1997, he became General Manager of the Labinal plant in Saint Ouen. In 2000, he was appointed Human Resources Director for Cinch (connection systems).

In 2002, he joined the Pechiney Group within Pechiney Rhenalu where he was appointed Director of Labor Relations in the BALC division (packaging, automobiles, and rolling metalwork).

In 2004, he joined Safran as Human Resources Vice President for Aircelle² before being named to the same position at Snecma³ in June 2007. In 2011, he became President of Safran USA and Human Resources Vice President for North America. In 2015, he was named Human Resources Deputy Executive Vice President for the whole Group.

Since 2018, he was Human Resources Executive Vice President and a member of the Zodiac Aerospace⁴ board of directors.

Bruno Pasini, 52, holds a graduate degree in labor law from the University of Paris X (1991).

¹Which became Safran Electrical & Power

²Now Safran Nacelles

³Which became Safran Aircraft Engines

⁴Absorbed by Safran in 2018
