

PRESS RELEASE

Bruno Vazzoler appointed Executive Vice President, Avionics Division of Safran Electronics & Defense

Boulogne-Billancourt, February 20, 2019

Effective February 1st, 2019, Bruno Vazzoler is appointed as Executive Vice President, Avionics Division and member of the Executive Committee of Safran Electronics & Defense.

Bruno Vazzoler started his career within the Thales Group where he was, in particular, Director of the « Ground Surveillance Radars » business line, Director of the Cockpit activities at Thales Avionics and then Managing Director of Thales Integrated Communication and Supervision Systems for Railways. In 2010, he joined the engineering group Segula Technologies as President of the subsidiary Simra.

Then, in 2014, he joined the Zodiac Aerospace group to head the Electrical Systems and Cockpit Solutions division of Zodiac Aerosystems branch, which has since become Safran Aerosystems.

Bruno Vazzoler holds degrees from the École Polytechnique (1987) and the École Nationale des Ponts et Chaussées (1989).

Safran is an international high-technology group, operating in the aircraft propulsion and equipment, space and defence markets. Safran has a global presence, with more than 91,000. Safran is listed on the Euronext Paris stock exchange, and is part of the CAC 40 and Euro Stoxx 50 indices.

Safran Electronics & Defense is a world leader in the supply of solutions and services in optronics, avionics, electronics and critical software for both civil and military markets. The company equips more than 1,000 ships, 25,000 land vehicles and 10,000 aircraft worldwide.
