### **Safran and Zodiac Aerospace: "Day One"!**

Safran Seats – мировой лидер в производстве авиационных сидений для пассажиров и экипажа. Миллион сидений, выпущенных компанией, сейчас служит по всему миру.

On February 13, 2018, Zodiac Aerospace has joined Safran to create the world's third largest aerospace company (excluding aircraft manufacturers).

The Group can now offer its customers a broad range of products and services, a portfolio in which our aircraft propulsion and equipment businesses are well balanced. Safran now offers most systems and equipment used by aircraft, as either original equipment or for the aftermarket: engines, cabins, landing gear, seats, avionics, electrical systems and more.
