Your e-mail of : 28/02/2019 Your reference : Our reference : Annex(es) : Brussels,
20-08-2019

Subject: EU / Brazil Agreement - Approval of ANAC Supplement.

Dear Sir,

Considering the maintenance procedures covered by Annex B to the Agreement between European Union (EU) and the Federative Republic of Brazil on Civil Aviation Safety and MAG (Maintenance Annex Guidance), this is to inform you that Safran Aircraft Engine Services Brussels ANAC Supplement revision 6, dated 11 February 2019 is hereby approved by Belgian Civil Aviation Authority (BCAA).

The ANAC RBAC 145 approval reference is:

Safran Aircraft Engine Services Brussels
ANAC RBAC 145 Approval Reference number: 1310-32/ANAC
Valid until: 31 October 2021

This supplement approval allows performing maintenance services on Brazilian registered aeronautical products subject to compliance with EASA Part-145 requirements and the specific regulatory requirements and special conditions as detailed in the Agreement Annex B Appendix B1 and the Maintenance Annex Guidance (MAG).

Please be reminded that the ANAC scope of ratings and limitations must not exceed the ones specified in your Part 145 approval certificate.

You are reminded that you will be required to submit your next application for renewal 60 days prior your continuation date in accordance with MAG Section C which is available on the EASA web site at: <http://www.easa.europa.eu/document-library/bilateral-agreements/eu-brazil>.

Best Regards,

Christian Vandeveldde
