Dear Sir,

Subject: Acknowledgement Letter – Foreign Repair Station Certificate No. 596/2561

In reference to your letter, no. CL-151/21, dated 11 May 2021, concerning the renewal of Foreign Repair Station Certificate No.596/2561.

Please be informed that the renewal certificate is currently being processed. In the interim, this letter hereby:

- v) acknowledges the application for renewal of Foreign Repair Station Certificate No. 596/2561, issued to Safran Aircraft Engines, France; and
- vi) certifies an extension of Repair Station activities until the certificate renewal processing is completed, unless otherwise decreed by the Director General.

All conditions and limitations specified in Foreign Repair Station Certificate No. 596/2561 remain in force during the renewal process.

Please do not hesitate to contact the Authority for any clarification required.

Yours sincerely,

(Suttipong Kongpool)
Director General
