18 December 2020

Dear Sir,

**Subject: Acknowledgement Letter – Foreign Repair Station Certificate No. 220/2541**

In reference to your letter, no. SEDSA-QA-275, dated 30 April 2020 and our letter, no. CAAT. 07/5010, dated 19 June 2020, concerning the renewal of Foreign Repair Station Certificate No. 220/2541.

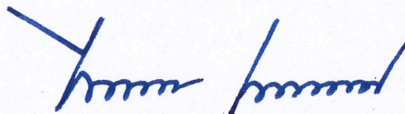

Please be informed that the renewal certificate is currently being processed. In the interim, this letter hereby:

- i) acknowledges the application for renewal of Foreign Repair Station Certificate No. 220/2541, issued to Safran Electronics & Defense Services Asia Pte Ltd, Singapore; and
- ii) certifies an extension of Repair Station activities until the certificate renewal processing is completed, unless otherwise decreed by the Director General.

All conditions and limitations specified in Foreign Repair Station Certificate No. 220/2541 remain in force during the renewal process.

Please do not hesitate to contact the Authority for any clarification required.

Yours sincerely,

(Paisit Herabat)

Manager of Airworthiness and Aircraft Engineering Department  
For Director General  
The Civil Aviation Authority of Thailand
