

Zodiac Aerospace acquires Greenpoint Technologies

This new acquisition reinforces the Group’s competencies in Cabin Interiors

Plaisir, June 5, 2014 – Zodiac Aerospace has finalized the acquisition of Greenpoint Technologies. Based in Kirkland, Washington, with a subsidiary in Denton, Texas, Greenpoint is a world leader in VIP Cabin Interiors for widebody aircraft and a BBJ completion center. The company employs 450 people and has annual revenues of around \$150m.

Greenpoint Technologies will further enhance Zodiac Aerospace’s competencies in Cabin Interiors in the domain of VIP and VVIP Cabin interiors, while Zodiac Aerospace, the world leader in Cabin Interiors, will support Greenpoint’s development and bring its skills in cabin certification and its know-how in design and manufacturing of interiors elements (monuments, galleys, seats, lighting,...).
